Certificates in Interior Design/Architecture/Placemaking

Faculty of Architecture & Design

This is a studio design experience offered by the Faculty of Architecture and Design of Bahçeşehir University in its center of Rome to develop your design and architecture skills, by using the Eternal City as an urban laboratory for research, exploration and application.

At the end of this certificate students will be able to:

- Understand the critical success factors of best **PLACEMAKING**, by studying urban space planning and interior design vs community growth and development;
- Reflect on the **CONCEPT OF SPACE** as a place where people exchange value;
- Face the challenge to **DESIGN IN HISTORIC**

CONTEXTS and cities that are cultural artifacts made of multiple layers;

- Display enhanced design methods and skills, taking into account salient issues such as **ARCHITECTURAL ETHICS, THE ROLE OF TECHNOLOGY IN ARCHITECTURE**, and the **IMPORTANCE OF SUSTAINABLE DESIGN**
- Explore the rich variety of the Italian culture and of the city of Rome.
- Apply the most relevant **INTERIOR DESIGN** and **URBAN PLANNING** theories and approaches to real spaces and buildings of Rome with a **FINAL STUDIO DESIGN PROJECT**

Students will receive a certificate of attendance with a number of ECTS credits awarded by the Faculty of Architecture and Design of Bahçeşehir University - Istanbul, upon successful completion of three or more courses out of the following:

• ECTS 10 Architectural or Interior Design Studio
